HELLO

Hello there again, it's me CRINGEY and guess what?? Go ahead, guess. YEP you got it, it's almost Halloween and "hot dog" are we excited over here at culture cringe HQ! So what are we doing to get all geared up for the best time of the year?? WELL. For starters, we are preparing our weekly radio show, Sunday Mourning Coming Down, for it's October run—every week it'll be HALLOWEEN themed! Now, how cool is that? I know. Also, we're trying to figure out our costume. We totally recommend going to "All Things Halloween" on hwy 231 near Lebanon because it RULES and well honestly all the other Halloween marts kinda DROOL. You heard it here first....that's information you can take TO THE BANK.

Also we're getting ready to hit up some "rad to the bone" events this season. You don't know about them? Well here, I'll list them out for you!!!

Sept 30: Dr. Gangrene's Horror Hootenanny at The END
Sept 30: Monsters and Merriment Halloween and Horror Art show at The Woods at Fontanel
Oct 13: Boro Art Crawl on the Square
Oct 14: Oktoberfest at the Green Dragon
Oct 27-28: Full Moon Tattoo and Horror Fest in Nashville
Oct 28: Halloween Comic Fest at Linebaugh Library
Nov 10-11: Southern Gothic Campout in Adams, TN

Well there ya go, hopefully you feel enlightened. I'm off to Dollar Gen to rack up on some Twix Ghosts!!! LATER
